## Neighbors helping neighbors

The Community Center of Northern Westchester marked 21 years of providing the essentials of living — food, clothing and practical job skills — at its Saturday, Oct. 19, fall benefit cocktail party and silent auction at St. Matthew's Fellowship Room in Bedford. The event was among the best attended in the event's two-decade history. This year's event co-chairs were Rebecca Roban and Liz Ge-

reghty of Katonah; Jeff Goodwin and Andy Vitrone, proprietors of Wm. Nicholas & Co. and Willy Nick's Restaurant & Bar in Katonah; and Sue Brofman of Waccabuc. To mark its 21st anniversary of serving neighbors in need, the center compiled a list of 21 ways neighbors can help their neighbors in need through the center.
